

Dear Partner,

The time has finally arrived for the rollout of NCCARE360: an exciting new initiative to connect social services and healthcare partners on one shared platform across the state of North Carolina. The Guilford/Alamance region will be the first to go-live on this new coordination system and we would love for you to be a part of it.

We are holding local Strategy Sessions for all partners in the month of January. The purpose of this session is to share more about the proposed plan, learn from your expertise, and help partners understand how to be an active member of the network.

We would like to invite you to attend the following strategy session:

**[PLEASE RSVP HERE](#)**

Date: Tuesday, January 22

Time: 1-4pm

Location: Piedmont Triad Regional Council

1398 Carrollton Crossing Drive

Kernersville, NC 27284

If you cannot attend or have additional questions, please contact Morgan Forrester at [morgan@uniteus.com](mailto:morgan@uniteus.com). We ask that you help the NCCARE360 team distribute this email and invitation to any and all interested partners that may use the platform.

**Please respond to the RSVP link by January 7 even if you are unable to attend one of the sessions.**

Thank you and we look forward to working with you in your local communities!

Morgan Forrester
