DIV. OF AGING ADMINISTRATIVE LETTER NO: 24-08

TO: Area Agencies on Aging and Senior Centers

FROM: Jill Simmerman, Deputy Director

DocuSigned by:

DATE: December 10, 2024

SUBJECT: 2024-25 Senior Center General Purpose Funding

This year the state total for the Senior Center General Purpose funding is \$1,265,314 with a local match of \$421,771 for a grand total of \$1,687,085. The local match will remain at 25% and can be cash or in-kind.

The Senior Center General Purpose funding will be allocated to Area Agencies on Aging for distribution to the senior centers within the regions which the AAAs have determined provide full-time programs or will utilize this funding to develop full-time programs. Centers receiving these allocations must be listed in the Division's Senior Center Directory [which is attached with this letter or can be located on the Division's website].

The Division of Aging has increased the base funding for senior centers who have successfully completed the certification process, based on their certification status. This ensures that funding is being well spent on readily identifiable programs and services and provides an incentive for centers that make investments to meet the certification requirements. The objectives for this year, as in years past, are to:

- Allocate funding equally to every center, based upon certification status,
- Require documentation and accountability for the use of funding,
- Provide incentives for centers to improve themselves through certification.

The annual appropriation will again be divided into *shares* based on the total number of senior centers as determined by Area Agencies on Aging plus extra portions for each senior center which has been certified through July 1, 2024. As of July 1, 2024, the total number of senior centers is 171. Noncertified, identified centers will receive one *share* equal to \$3,755. Centers of Merit will receive two *shares* equal to \$7,288 and Centers of Excellence will receive three *shares* equal to \$11,100.

The allocation distribution per center is as follows (total represents the addition of local match):

	<u>State</u>	<u>Local</u>	<u>Total</u>
Noncertified Centers (82)	\$ 3,755	\$1,252	\$ 5,007
Centers of Merit (8)	\$ 7,288	\$2,429	\$ 9,717
Centers of Excellence (81)	\$11,100	\$3,700	\$14,800

The **25% matching resources** for this funding must not be used to match any other state or federal funding that the agency may receive. *The local match may be in the form of cash and/or in-kind and must directly support the purpose for which the funds are being used.* Senior Center networks receiving funding for more than one [1] center are expected to expend funds designated at each center, unless a different expenditure arrangement is approved by the Division.
