### Meeting Cancellation

Due to a lack of action items, next week's (8/17) PTRPO TCC and TAC meeting is cancelled. Our next meeting is scheduled for October 19, 2016.

### PTRPO Update

- The point assignments for projects being scored in the Regional Impact category were submitted to NCDOT on Friday, July 29, 2016. Accord to NCDOT's SPOT office, the results will be released at the end of this month. I will send a reminder to everyone once these are available.
- Projects in the Division Needs category have received the majority their preliminary scoring which followed the RPO's Prioritization Policy adopted back in February. The TIP Committees in each county will assist in assigning the remaining local priority points for Highway and Aviation projects. I will send out a notification in the coming weeks about TIP Committee meetings and opportunities for public input. Please see the included spreadsheets for project preliminary scoring information.
- Just a reminder that the deadline for applying to NCDOT's 2017 [Bicycle and Pedestrian Planning Grant Initiative](#) is **Friday, November 10 at 5:00 pm**. Please let me know by Friday, September 30 if your municipality is expecting to apply so I can get a resolution of support on the agenda for the October meeting.
